

## CT DEEP SPRING STOCKING TROUT

2020

YOU CAN FIND US DIRECTLY ON FACEBOOK. This page features a variety of information on fishing, hunting, and wildlife watching in Connecticut. The address is [www.facebook.com/CTFishandWildlife](https://www.facebook.com/CTFishandWildlife).

### SPECIAL MESSAGE FROM DEEP CONCERNING FISHING THIS SPRING!

On March 24, 2020, Governor Ned Lamont issued an Executive Order (E.O. 7L) opening many lakes, ponds, rivers and streams to fishing statewide. The intention of opening the fishing season early is to limit community spread of COVID-19 by eliminating the large crowds that often accompany the traditional Opening Day of fishing in April. **During this time of social distancing, fishing should be enjoyed as solitary experience or with members of the immediate household, not as a group activity.**

**DEEP is encouraging all anglers to follow social distancing practices.** Anglers should maintain a distance of at least six feet from others, practice good personal hygiene, stay home and away from others if they feel sick, and avoid areas where anglers or others congregate. **All other fishing laws and regulations, including requirements for a fishing license and trout and salmon stamp when needed, and all methods, creel limits and length limits remain in effect.** More information and a helpful FAQ can be found on DEEP's website. Please refer constituents to <https://portal.ct.gov/DEEP/Fishing/CT-Fishing> for more information.

**We continue to stock trout and plan on completing our spring 2020 stockings.** Below you will find the listings of our stockings so far this spring. Anglers should also check out our **Interactive Stocking map** at:

<https://ctdeep.maps.arcgis.com/apps/webappviewer/index.html?id=70d13bc033854b89a87c04b1d11b1a43>

We will update this report weekly on Fridays. Stay safe!

The following areas were stocked the week of 3/23 – 3/27

(updated 3/27/2020)
